

## Teal, Lost Land and Ghost Lakes Improvement Association

Lost Land Lake or Teal Lake Riparian Owner - Sawyer County, WI

Re: Chemical Treatment of the LLL and Teal lakes on 6/7/2024

The Teal, Lost Land and Ghost Lakes Improvement Association Inc. along with the Wisconsin Department of Natural Resources, Northwest Regional Planning Commission, and Schmidt's Aquatic LLC proposes to chemically treat approximately 36.19 acres on Lost Land Lake and Teal Lake to control the aquatic invasive species, Eurasian Water Milfoil (EWM). The Teal, Lost Land and Ghost Lakes Improvement Association Inc. proposes to conduct applications of ProcettaCOR EC to be performed by the chemical applicator, Schmidt's Aquatic LLC.

The treatment date for the chemical application in both lakes was June 7th 2024.

Notification of the exact dates of treatment and water use restrictions for ProcettaCOR EC was posted in the treatment area, and all public access entries.

The water use restrictions associated with use of ProcettaCOR EC are noted below:

- There are no swimming, fishing, or other recreational restrictions.
- Do not use water from treated area for non-turf irrigation (Gardens) purposes for 3 days.
- You may however irrigate turf (Grass) immediately following applications.

For additional information on the treatment, please click on one of the links below to find a copy of the following documents: If you choose to go to Schmidt's Aquatic website, once on the home page, click on the "links tab" then click on Teal, Lost Land and Ghost Lakes Improvement Association Tab. at
